PROFESSIONAL EXPERIENCE

upGrad – Senior Associate, Content | Bengaluru | April 2024 – Present

- Architected a prompt-driven FAQ automation system for IIT Kharagpur Online program pages by defining prompt architecture and content rules

and collaborated with product and engineering teams to implement the solution on live pages.

- Conducted prompt-based search research to guide content development for improved citation visibility across AI answer engines, contributing to ~12% growth in ChatGPT citations and ~113% growth in Gemini.
- Leading the end-to-end migration of 2500+ blogs to a new CMS, managing timelines, cross-functional communication, and QA workflows.
- Co-owned the Tutorials CMS migration project with product & tech, including layout redesign, content restructuring, and keyword optimization.
- Performed SEO analysis for 40+ landing pages and 1000+ blogs, driving a 50% increase in blog traffic and improving 60%+ keywords to Page 1.
- Improved lead funnel performance by 30% through exit pop-ups, inline content strategies, and on-page CRO.
- Developed content for partnered university landing pages and content plan for Online CU, Online IIT KGP, Online OP Jindal University ensuring brand alignment and SEO readiness.
- Created weekly performance reports using Google Analytics, GA4, LSQ, and internal dashboards.
- Coordinated with category, design, product, and external agencies to deliver high-impact content campaigns.

upGrad KH – Content Marketing Analyst | Bengaluru | Sep 2022 – April 2024

- Optimized 600+ TOCs, resulting in 4X traffic growth (400K → 1.6M) and 2X organic leads.
- Audited 400+ blogs for quality assurance; leveraged Google Analytics & SEMrush for actionable insights.
- Managed content development for 500+ TOCs as per pre-defined guidelines and created SOPs, making data-driven decisions to optimize the performance of self-paced and instructor-led learning programs, lead generation, and data analysis.
- Collaborated with content and category teams to enhance website traffic and lead generation.

Joy Technologies – Associate Content Marketer | Chennai | June 2021 – Sep 2022

- Developed content for UK/US clients; optimized 4+ websites, achieving 5X organic growth and 60%+ Page 1 SERP rankings.

- Led the content strategy and launch plan for [MedicalHero](#) — a healthcare learning platform offering PTCB & CNA practice tests.
- Conducted market and keyword research to align medical certification content with learner intent and search demand.
- Created monthly/quarterly content calendars; collaborated with cross-functional teams to improve quality and business outcomes.
- Implemented social media content strategy (Instagram & Facebook), contributing to a new revenue stream.

Pepper Content – Freelance Content Writer | Sep 2020 – Sep 2021

- Produced SEO-optimized content for multiple clients, achieving 100% article clearance on-time.
- Implemented target keywords to improve article rankings and meet performance goals.

CollegeDunia – Freelance Content Writer | Sep 2020 – June 2021

- Created academic content for Indian colleges; conducted content audits using Grammarly & Hemingway.
- Maintained 100% on-time delivery with zero revisions.

EDUCATION

- Chandigarh University (2019 - 2021)
- The University of Burdwan, Bardhaman (2016-2019)
- Kendriya Vidyalaya Sangathan, India

PROJECTS

Created and managed advanced multi-step web forms using WordPress Elementor and JetFormBuilder plugins for YouTube tutorial content, integrating user-friendly design and automation workflows.
