WORK EXPERIENCE

2023 - PRESENT

DMC LEISURE

- Curated domestic and international holiday packages, tailoring flights, accommodation, and local experiences to meet specific client budgets and preferences.
- Conducted travel consultations to understand client needs, delivered effective sales pitches and sales calls to promote travel packages, and successfully converted initial inquiries into confirmed bookings.
- Negotiated with vendors and ground handlers across various time zones to secure competitive pricing and exclusive perks for high-value clients.
- Served as an On-site Tour Lead for both domestic and international groups, managing logistics for up to 150 travelers simultaneously.
- Coordinated real-time logistics, including private transfers, group dining, and guided tours, ensuring the itinerary stayed on schedule while remaining flexible to client needs.
- Managed on-trip contingencies and emergencies, resolving issues such as flight cancellations or hotel discrepancies swiftly to minimize traveler impact.
- Facilitated cultural immersion and guest engagement, acting as the primary point of contact and ensuring high levels of guest satisfaction throughout the journey.
- Managed end-to-end billing process, including invoicing, vendor payments, and expense tracking for large-scale group tours.

2021 - 2023

CREDIT MANTRI

- Gathered and analyzed business requirements for banking applications and translated them into functional specifications.
- Worked with APIs using Postman to validate request/response data and support system integration testing.
- Used SQL and DBeaver to query databases, analyze data, and troubleshoot application issues.
- Collaborated with cross-functional teams in Agile/Scrum environments to ensure timely delivery of project milestones.
